

# TEE-OFF & Win

SCRATCH & WIN

## Tournament Score Card

**Our Scratch & Win FANTASY GOLF Tournament Score Card is a great way to add some additional fun to your special event whether a golf tournament, tradeshow or special promotion.**

### How To Play?

- TEE-OFF & Win is designed to replicate a regular course score card.
- Scratch off one circle of each of the 18 holes to obtain a score for that hole and write it in the space under that column.
- Add up all 18 holes and you have your FANTASY GOLF SCORE.
- Lowest score, most eagles or even most birdies can be a winning card...it is up to you when designing the event.
- Set up a leader board for participants to view and see if they are winning.

### Why is TEE-OFF & Win important to my event?

- It can serve as a great new source of revenue while providing additional fun for your event, all at a low cost to you.
- Advertising space available on the front of the card to place your event sponsors on as a good will gesture or for generating additional revenue.
- The inclusion of a TEE-OFF monthly on-line contest for consumers above and beyond the existing promotion you would be running.
- The ability to collect names and contact information on event participants for your database.
- A great fundraising tool for charities and associations.
- A FUN new way to energize your event using Golf as your platform and the ability for participants to win prizes.
